APPROVED PAINT COLORS

NOTE: All paint color names are Dunn Edwards.

Original House Colors (Non-conforming)

Notes:

1. These colors do not conform to the city's Environmentally Sensitive Land Ordinance (ESLO) and therefore are **non-conforming**.
2. To use these colors, the house must be **currently the same** base color.
3. Only the **current house base color** may be used.
4. Only the **accent colors listed with each base color** can be used with that base color.
5. Equivalent colors are shown in parenthesis.

NOTE: All paint color names are Dunn Edwards.

Previously Approved Darker Colors in 2004 - See Figure 1

Notes:

1. Any of these colors may be used as they **fully conform** to the city's Environmentally Sensitive Lands Ordinance (ESLO)
2. **No accent colors** are available, or may be used, for these color selections.
3. Original color names and numbers are in the left side of the table; Updated names due to discontinued or changed names are to the right. The original colors may be obtained by asking them to mix that color while the updated names should be off the shelf.
